
Businesses today are faced with a lot of difficult decisions. Finding the right health care benefits plan should not be one of them. Shopping for value does not mean you have to settle for average. All Oxford products are accredited by the National Committee for Quality Assurance (NCQA), and we complement our product line with engaging wellness programs and personalized health care management tools.

One of our tailored benefit solutions that can offer the coverage employees need at a price point that may make the most sense for your business is the Oxford Exclusive Plan Metro. Following are highlights of the Oxford Exclusive Plan Metro:

- Routine in-network preventive care covered at 100%
- Split copayment options for in-network services
- Referrals are not required for specialist visits
- Pharmacy riders available on all plans
- Lower premiums
- Access to our Freedom Network or our Liberty Network
- Access to most of the area’s finest hospitals
- In-network access to the national UnitedHealthcare Choice Plus Network when traveling outside of the Oxford tri-state service area

Helping people live healthier lives

Oxford has come to be considered a consistent, high-quality product line. We work continuously to maintain the appeal of the comprehensive Oxford health care benefits programs that we offer and to provide dedicated customer service. Here are just a few of the ways we are reinforcing that legacy with the Oxford Exclusive Plan Metro:

- Commitment to wellness through our preventive care programs designed to help members stay on top of their health, including online wellness coaching programs, a health assessment, and a wealth of health information available at www.oxfordhealth.com.
- Gym benefit that reimburses membership fees of up to $200 every six months for subscribers and $100 every six months for spouses or domestic partners.
- 24/7 access to health care guidance from registered nurses through Oxford On-Call®.
- The UnitedHealth Premium® designation program provides information on quality and cost efficiency across the entire continuum of care to help members make informed health care decisions.
- The Healthy Bonus® program provides members with opportunities for discounts on health-related products and services.
