Navigating the Voice Portal

Quick Reference

Getting Started

• The Oxford Voice Portal is a simple, easy way for physicians and health care professionals to access information in as little as a few minutes.

• Throughout the call, you’ll be prompted to make selections by voice or keypad.

• You’ll be asked to enter your patient’s member identification number. This can be found on the member’s health care ID card.

• Step-by-step instructions are on page 2 of this reference guide.
